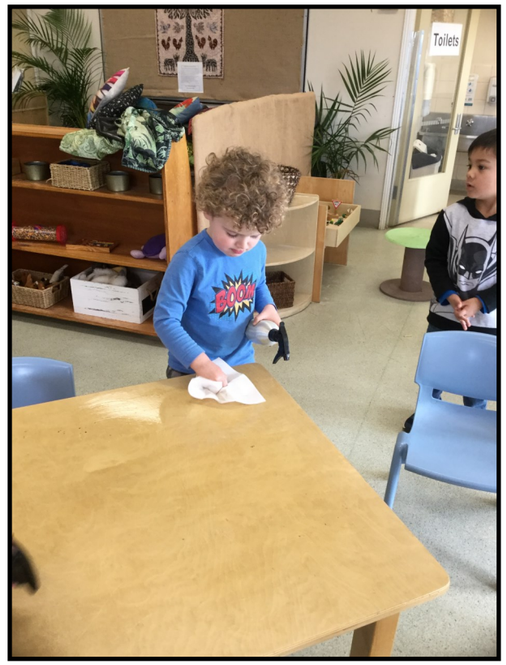
Orange Group Kinder, Weekly Reflection

Term 3, Week 4, 5th August

This week we learnt about the Aboriginal Flag and what each part of it represents. The red is for the land. The yellow is for the sun and the black is for the people. We then read a book titled, 'When the Snake Bites the Sun.' We discussed with the children that this was a Dreamtime story and how the Aboriginal people passed these stories on through talking for a very long time. We then discussed how there were a lot of Dreamtime stories and the children were eager to read some more so we have decided to try and read a different Dreamtime story each week. After the group and through-out the rest of the day the children had the opportunity to create their own Aboriginal flag if they wanted to. Whilst engaging in this activity we again discussed what each part of the flag represents.


Today the children also took on the responsibility of clearing, spraying and wiping the tables before all meals. Moat of the children were very eager to have a turn and we discussed how this will be a job that we can allocate to a few children each week to ensure everyone gets a turn. It was fantastic to see the children taking care of the kinder environment.
