

Purple Group Kindergarten, Weekly Reflection

Term 1 week 2, 3rd-7th of February

This week we continue to celebrate Chinese new year, with curiosity and interest we learnt about the tradition of “Red Pocket”. Taking much care and time we enjoyed making our very own lucky Red Pocket envelope with money to bring home. In collaboration with our peers we extended our sensory water play area with frozen sea animals and shells. Through shared reading, open discussion, drawing we express our thoughts about the importance of friendship. On Waitangi day we had a special guest Nellie to teach us the special Maori greeting (Hongi) and traditional Poi Dance. We conclude the week wishing Alexander H a happy 4th birthday.
