

## February Reflection 2023

***Welcome Families to the Koala room for 2023. We hope you and your child are settling in well and feel comfortable with the Koala room and Educators. The children have adapted well so far and are connecting well to their new room, routine and Educators. The children are learning a great deal of new information, such as putting away their belongings, packing away their experiences once finished, using their words in times of conflict with an emotions table set up to support their communication skills as well as books songs and role playing from educators on how to play with each other respectfully. The play spaces are filling up with the children's interest and developmental challenges such as block building, trainset, drawing table, scissor use, puzzles, music and movement experiences, playdough with shapes. We have celebrated Chinese new year, Valentine's day, Australia day and world pizza day. Group times consists of a story, singing learnt and new songs as well introducing new group games to build turn taking skills and communication Educators have been role playing to the children how to play and communicate respectfully.***
