Update/Report – Treasurer – (Matt)

This covers the first month of FY 24.

Income slightly above target and actual opex and wages slightly below target.

The 'real' result for this month is \$20K favourable. The overall figure you see is \$95K favourable, this is an anomaly due to a reversal of a year-end provision to Salary and Super, of about \$75K.

This is a great way to start a year given we are running a very tight budget for the year.

Update – Director

- QIP and Centre Philosophy
- Child Protection Update – ongoing training offered for staff
- Emergency Management Plan

Aislinn Guthrie-Jones
President.
