

Term 1 Curriculum Reflection- February

Reflection: Over the last couple of weeks, we have enjoyed exploring our new Kinder room. We commenced the week with much excitement to see familiar faces and demonstrate kindness by being open to build on new friendships through shared interest. We also enjoyed learning about the culture, celebrations and festivities of Lunar New Year and made our very (Hong Bao) Red pocket envelope filled with pretend money as we further learnt about the tradition of gift of the bright and beautiful red envelope. We also begin to explore the importance of our own identity through the story book Elma the Elephant and enjoyed creating our very own patchwork elephant with sponges and paint. We enjoyed spontaneous singing and dancing to our favourite songs and learnt some fun actions to new songs (Mr Clickety Cane). Through yoga and a variety of quiet activities after lunch we learn to understand the importance to be kind to our bodies and practice skills of self-regulation through yoga, reading and activities.

Learning Outcome: LEARNING OUTCOME 2: CHILDREN ARE CONNECTED WITH AND CONTRIBUTE TO THEIR WORLD

This is evident, for example, when children:

- Provide materials, texts and resources that are inclusive of gender, ability, ethnicity, culture, language and family diversity.
- Provide materials, texts and resources that provide opportunities to analyse and challenge unfairness.
- Cooperate with others and negotiate roles and relationships in play episodes and group experiences.
- Participate in reciprocal relationships.
